## WILLIAMS LOSES BATTLE WITH CHAVEZ

TWO BANTAMWEIGHTS PUT ON A CLASSY EXHIBITION AT BOXING CARNIVAL

Benny Chavez, the champion bantamweight boxer of the Rocky mountain district, put "Kid" Williams of Vernon, Calif., on the floor for the count in the seventh round of a bout staged Saturday night at the Duncan opera house during the course the boxing exhibition for the benefit of the Las Vegas ball team. This bout was one of the fastest and most clever pugilistic exhibitions ever staged in the state and well worth the price of admission for the entire evening's entertainment. Both scrappers were fast and game and up to the sixth round, in which Chavez floored Williams with an upper cut to the jaw, it looked as if the bout would go the eight scheduled rounds to a draw. The two boxers used different tactics. Chavez's clever footwork saved him from many a savage punch and Williams blocked Chavez's blows with his arms and fists in a clever manner. Both were fast and game and a bout between these two boxers will always prove a drawing card in the Meadow City.

Jimmy Flynn, "the white hope," put on an exhibition at this benefit entertainment, going three minutes with two of his sapling partners. Though Flynn's tactics didn't make much of a hit with the audience, he showed that he had a wicked punch and was as fast as a whirlwind. Jack Skelly of Terre Haute, Ind., one of the new arrivals in the Flynn camp went three rounds with the big Pueblo Fireman, and though he was game to the core, Flynn went through his guard as easily as if it had been tissue paper. Flynn also went on with Al Williams, his regular sparring partner. Flynn made both of these big fellows see stars, putting them both on the mat with the greatest of ease. Flynn's blows lighted as fast as a trip hammer and seemed as powerful, and his guard was impenetrable. This bout marked Flynn's last exhibition outside of his training camp. From now until the first of July Flynn will put on training stunts and boxing exhibitions every afternoon at his training quarters in the pavilion at the Hot Springs and he has extended a cordial invitation to all fans to witness them.

The opening bout of the entertainment was between "Kid" Burns of Chicago and Roy Blackwell of Peoria, Ill., two welterweights. This exhibition went six rounds to a draw. Neither of the boxers "mixed it," and the bout dragged along at a leisurely pace, the contestants using open gloves. Blackwell seemed to have the best of it throughout. Burns came to Las Vegas with the reputation of a boxer and was supposed to be in good training, while Blackwell is employed in the Western Union telegraph office as wire chief, and it was a surprise to the crowd that he could "come back" the way he did. He forced the fighting throughout.

Tommy Cannon, who will be the official announcer of the Johnson-Flynn bout on July 4, acted in this capacity Saturday night, and it is now easy to see why he was chosen to fill this office at the big exhibition, as he sure has some voice. Jack Curley, the Johnson-Flynn promoter, refereed the first two bouts of the evening, while Charles O'Malley, the local promoter, acted as presiding officer during the Flynn exhibition. Herman Hild acted as timekeeper.

The exhibition was attended by an enthusiastic crowd of fight fans, which crowded the balcony to the roof, and was scattered liberally over the first floor.

See the line of novelties for graduation gifts at Murphy's drug store.

S. M. Monzingo, representing the Calumet Baking Powder company, was in Las Vegas today visiting the trade.

The feast of weeks, which commemorates the giving of the commandments on Mount Sinai and the first harvest season during the temple times, with confirmation service, was celebrated yesterday morning at Temple Montefiore. Miss Ruth Nahm, daughter of Mr. and Mrs. Sig Nahm, and Miss Henrietta Kauffman, daughter of Mr. and Mrs. Sol Kauffman, received confirmation. A beautiful musical program was rendered. Dr. Samuel Peiper made the presentation of confirmation certificates.

The visitors bunched their hits in the early innings, scoring three runs in the first inning, one in the third, two in the fourth and annexing another in the eighth. French Resist Moors

Paris, May 27.—Wireless reports received today at the ministry of war from Fez, Morocco, say an attack on that city by Moors was silenced by the French artillery. A force of 50,000 additional French troops is to be rushed forward to protect the route between Rabat and Fez.

The French artillery was in action for a considerable time, shelling the Moors, who made repeated dashes at the guns. By noon quiet had been restored to the city, but in view of the situation General Lyautey, the new French resident general, has decided to adjourn his official visit to the Sultan, who insist on abdicating the throne.

## MANY GOOD GAMES IN PROSPECT FOR LOCALS

MANAGEMENT OF MAROONS EXPECTS TO MAKE A LONG SCHEDULE.

The management of the Las Vegas Maroons is negotiating with a number of fast teams over the state for games and judging from present prospects, there will be something doing from now on in the baseball line. Manager Plowman received letters this morning from the management of the Amarillo and the Dalhart, Texas, teams, both desiring to book games with the Maroons in the near future. The fast Santa Fe aggregation will play in Las Vegas on Wednesday and Thursday of next week and the Albuquerque team has been booked for games here on Friday and Saturday. The local management is also in communication with the Government Indian school endeavoring to book the Indians from the Duke City for games to be played here.

The fast semi-professional team from San Bernardino, Calif., has written asking for games on July 1. This aggregation will be in Las Vegas to attend the big championship bout, and is desirous of scheduling a game or two with the Maroons during the stay here. This club is now leading the Southern California league, having pulled down the championship last season.

Dawson, Van Houten, Santa Fe, Albuquerque, Amarillo, Dalhart, Tucumcari, San Marcial, Belen and possibly Raton are in line for games with the Maroons and it is hoped that a definite schedule for the summer will be ready for publication in the near future.
